

Ontario Farrier's Association

Date: January 13, 2021

Re: COVID-19 Essential Worker Exemption Dear Officer or Official,

The person carrying this letter is considered essential to Ontario's workforce as per the Ontario Government's list of essential workplaces published on December 21, 2020, under the following:

SERVICES *[Page 15, Veterinary Services]*

Other businesses that provide for the health and welfare of animals, including farms, boarding kennels, stables, animal shelters and research facilities

We are providing this letter to, _____, as an associate of the Ontario Farriers Association to abide by the guidelines designating our industry as essential and exempt from closure. This trade requires our members the ability to travel to and from various farms to conduct business.

Please feel free to contact the undersigned for any questions relating to this industry.
